## **BIOS**

**AJ Addario** is your guy. — [ajaddario.com](http://ajaddario.com)

**Olivia Accardo** has a really good personality and a gluten intolerance and enjoys sitting alone at her computer for hours on end. — [odibz.biz](http://odibz.biz)

**Sandra Araujo** (Portugal) is a visual artist that spent endless hours shooting at monsters and strolling through mazes. So, it only felt natural for her to evolve through an experimental and explorative process of the visual culture of video games and popular gif files in her animations. She still plays old school computer games. — [s-ara.net](http://s-ara.net)

**Willie Avendano** is a Miami-based video artist, musician, hacker, and co-founder of 01, an education prototyping lab and studio. — [willie.xyz](http://willie.xyz)

**Rachelle Beaudoin** is an artist who uses video, wearables, and performance to explore feminine iconography and identity within popular culture. — [rachellebeaudoin.com](http://rachellebeaudoin.com)

**Keith Boyland** is a video and sound artist and used to have three pet millipedes but they escaped. — [keithboylan.com](http://keithboylan.com)

**Jon Chambers'** work focuses on experiences of saturation, obsessions and contradictions that emerge from psychological and physiological relationships with technology. — [jonchambers.net](http://jonchambers.net)

**Theodore Darst** (b. 1986) lives and works in New York City. His work has recently appeared in solo shows at ParisLondonHongKong, Chicago and UNPAINTED, Munich. His work has been included in exhibitions and screenings including, 67, New York, Roots & Culture, Chicago, Chicago Underground Film Festival, and the Museum of Contemporary Art, Chicago. He completed his MFA at Bard in 2015. Upcoming shows include a screening at ICA London this spring. — [theoreddarst.net](http://theoreddarst.net)

**Taylor Ervin** is a New York based artist exploring the relationships and politics that mediate between IRL and URL. — [taylorervin.com](http://taylorervin.com)

**Simon Falk** is a Toronto based artist currently studying Drawing & Painting at OCAD University. — [simonfalk.net](http://simonfalk.net)

**Catherine Feliz** was born and raised in New York City and is currently pursuing a BFA in Visual Arts/Photography at SUNY Purchase School of Art + Design.

**Keaton Fox** is a multi-disciplinary artist whose work reflects and distorts the varied realities of the Information Age. — [keatonfox.net](http://keatonfox.net)

**Mark Franz** is a designer, artist, and educator whose exhibitions and research projects involve the creation of interactive installations and animations that reflect on issues of violence, dislocation, and other social constructions important in contemporary cultures. — [markfranz.org](http://markfranz.org)

**Samantha Harvey** is an artist currently completing MA Photography at Central Saint Martins in London, using video and audio to reflect upon the mind's relationship to the body. Questioning whether it's possible to emulate non-physical sensations that remain unseen. — [trireme.co](http://trireme.co)

**Cindy Hinant** is a feminist conceptual artist living in New York. — [cindyhinant.com](http://cindyhinant.com)

**Laura Hyunjee Kim** is a Korean-American video artist based in San Francisco who is interested in conversations about the next-big-thing on the Internet and how online experiences reconfigure everyday life, create new daily rituals, and influence behavior. — [lauraonsale.com](http://lauraonsale.com)

**Derek Larson** — [dereklarson.net](http://dereklarson.net)

**Justin Lincoln** is a tumblr denizen, programmer, experimental artist and educator working in the Northwest part of the U.S. — [justinlincoln.com](http://justinlincoln.com)

**Maya Martinez** currently studies at MICA in Baltimore.

**Christina McPhee** is a visual artist and filmmaker based in central coast California — [christinamcpee.net](http://christinamcpee.net)

**Eden Mitsenmacher** was Born 1987 in the USA; works in London and Tel Aviv. Combining performance, video and installation to take a critical yet engaging view of social, political and cultural issues. — [edenmitsenmacher.wordpress.com](http://edenmitsenmacher.wordpress.com)

**Richard Munaba** is an interactive artist, video maker, photographer, graphic designer based in New York, D.C., and Baltimore. — [cargocollective.com/richardmunaba](http://cargocollective.com/richardmunaba)

**Dylan Neuwirth** is a posthuman contemporary artist working with text, sculpture, digital media and neon to establish the relevance of personal identity in a data-driven, networked world. — [dylanneuwirth.com](http://dylanneuwirth.com)

**Chloe O'Neill** is a New York-based trans artist working in video and new media. — [chloe-oneill.com](http://chloe-oneill.com)

**Aaron Oldenburg** is a game developer and new media artist whose primary interest is in game rules as an expressive medium. — [aaronoldenburg.net](http://aaronoldenburg.net)

**Levente Pavelka** is an artist based in Germany — [leventepavelka.de](http://leventepavelka.de)

**Lauren Post** is an artist based in Cincinnati — [laurenmpost.weebly.com](http://laurenmpost.weebly.com)

**Ida Pruitt** is a filmmaker and video artist living in Brooklyn; she currently attends The Cooper Union. — [sites.google.com/site/idapruitt7/](http://sites.google.com/site/idapruitt7/)

**Beau Torres** is a photo-based artist living and working in New York. — [beautorres.info](http://beautorres.info)

**Colleen Tuite** work explores the psychic confluence of architecture, technology, and ecology; she collaborates with **Ian Quate** as GRNASFCK. — [greenasfuck.com](http://greenasfuck.com)

**Rebecca Uliasz** is a multi media artist who uses digital and physical materials to explore the relationship between societal and psychological memory and physical space. She holds a BFA in Studio Art and Digital Art from the University of Connecticut and is currently pursuing an MFA at Stony Brook University. — [www.rebeccauiasz.com](http://www.rebeccauiasz.com)

**Weston Uram** is an artist whose work encompasses celebrity persona, market-reflexive art objects, and the ever growing pressure to be your own brand ambassador. — [instagram.com/westonuram](http://instagram.com/westonuram)

**Rachel Wark** is an artist from LA living and working in Manhattan who surrounds herself with lobster paraphernalia, gelatin, and flashing lights. — [rachelwark.com](http://rachelwark.com)

**Daniel Wechsler** (b. Israel 1982) is an emerging video & print artist. Focusing on the creation of new video techniques, he uses computer errors and malfunctions to create visual 'bugs'. — [daniel-wechsler.com](http://daniel-wechsler.com)
